Round stickers
Pen
Compass (optional)

Time
Various

Key outcomes
Learn basic map reading skills

*Items depicted in bold are available from CALLP

Activity description
<p>Prior to the session, walk the route and put up stars, adding a sticker and with number written on it at the relevant/corresponding place on the map.</p> <p>During the session, each child gets the chance to lead the rest to the next star number. Take in turns so everyone gets a go. Make sure the rest stay behind the leader and are following them. It's useful to have a scavenger hunt at each section to keep the rest of the group occupied (Find me something that... makes a noise/is green/is old etc).</p> <p>CALLP has stars numbered up to 12, but more could always be added.</p>

Notes
Laminated Culag Wood map available.
